At TruZT, we specialize in natural products, including herbs and herbal extracts, spices and spice extracts, essential oils, and fruit and vegetable powders. With over 18 years of experience, we offer a wide range of high-quality, natural products such as oleoresins. Our company is driven by technology and innovation, with a strong focus on research and development. We pride ourselves on creating customized ingredients tailored to meet the unique requirements of our clients.

HEALTH & NUTRITIONAL

- **Standardized Herbal extracts**
- **Standardized Herb extracts**
- **Nutraceutical ingredients**
- **Phytochemicals**

At TRUZT, we continuously strive to improve our selection, cultivation, extraction, and testing processes. This commitment allows us to offer the most advanced and sophisticated natural products, ensuring both efficacy and safety from toxins and allergens. We adhere to specific quality standards set by the FDA and various Pharmacopoeias worldwide.

SPICE AND SPICE PRODUCTS

- **Spice extracts and Oleoresins**
- **Spice oil**
- **Supercritical extracts**

Oleoresins and spice extracts are the purest expression of flavors, color, and taste. At TRUZZT, our innovative techniques provide enriched oleoresins and extracts tailored for specific uses and proprietary formulations. One of the main challenges with spices is eliminating aflatoxins and microbes, which TRUZZT successfully addresses with modern extraction techniques and advanced processes.
